Benchmark: 413 Big 5 midfielders with 900+ minutes. Percentiles vs that pool, StatsBomb open data 2015/16. Dribbled past, turnovers, miscontrols and dispossessed are inverted.

TWIN TEST · HOW TWINS ARE PICKED

How the twin ranking works

Each dot is one of 412 candidates. The shaded band is within 5 points of balanced; red sits closer on quality, green closer on style.

01 Pool

413 Big 5 midfielders with 900+ minutes in 2015/16,.

02 Style, 16 metrics

What he does: engagements, pressing, blocks, carries, passing volume and build-up role.

03 Quality, 9 metrics

How well he does it: regains, danger stopped, ball retention, pass completion, turnovers.

04 Blend 60 / 40

Distance to Kanté on each block, weighted 60% style and 40% quality. 100 would be identical.

The top three score 79.6 to 81.5; the median candidate scores 60.5.

4-10: Illarramendi 79.3 · Petros 78.6 · Lacen 78.3 · Dembélé 77.9 · Wanyama 77.7 · Fernández 77.5 · Recio 77.0
